FOR AUTOMATIC WITHDRAWAL OF YOUR BILL

Jefferson Utilities offers customers the ability to pay their monthly bill via Automatic Withdrawal. This means no stamps, no late fees, no hassles! Each month, on your bill's due date, your payment will be deducted from your checking/savings account. The payment is never deducted earlier than your due date and you will still receive a paper copy of your monthly bill so you know, in advance, the amount that will be withdrawn.

Note: In the event that you need to cancel the withdrawal, you must notify our office at least 15 days prior to your due date. If you contact us after this time we cannot guarantee that the withdrawal will be stopped.

At Jefferson Utilities, we join forces with other local not-for-profit utilities through WPPI Energy to share resources and lower costs.
